

## 5" Two-Way All-Weather Loudspeaker

# AW-500

The AW-500 outdoor loudspeaker offers great sounding performances and year-round durability whatever the weather. This full-range model can be mounted almost anywhere and deliver clean, clear, dynamic Klipsch quality performances.

Featuring a 5-inch IMG woofer, 1-inch polymer tweeter mated to a square 90° x 90° Tractrix® Horn, durable white UV-resistant enclosure, non-corrosive grille, easy draining input cup, heavy gauge zinc C-bracket and a 3/8"-16 threaded insert, the AW-500 easily brings high-quality music entertainment to your patio, garden, terrace, balcony or pool side.

Because it nicely blends in with its surroundings and offers installation flexibility, this amazing performer is sure to be a homeowner favorite.

- High sensitivity and power handling
