

Serious Sound. Whether you're listening to your favorite tunes, watching a blockbuster hit, or following the big game, the quality of your experience is defined by sound. Cerwin-Vega! understands this. We've been the worldwide leader in loudspeaker design for over five decades! And now, with the new SL Series, we bring you our legendary power and excellent sound quality in an all new design. If you're putting together your dream sound system for home or other environment, there's no need to compromise. Instead, do it right - do it with the Cerwin-Vega! SL Series.

Choose your configuration from eight SL Series models. No single speaker configuration is right for all situations. Depending on the size of your room, as well as your tastes in music and movies, you need a loudspeaker setup designed to meet your specific audio needs, while working together as a seamless system. The SL Series makes it easy for you to customize your own perfect sound system, ideal for your personal listening choices. Regardless of your configuration choice, you'll be excited, that it was built by you, and Cerwin-Vega!
